TYPE METAL.

The following Medals are I believe very uncommon.

- | | | | | SIZE |
|---------|-----|-----|---|------|
| Holland | 3.- | 575 | "Societas Alumnorum Scholae Dummerensis." Head wearing a wig looking left. Rev. "Ferat pulman qui meruit" around a wreath. Very good | 28 |
| Do | 3.- | 576 | Same legend as preceding, but instead of a head there is the building of a School-House; underneath "in 1822." Rev. "Crede te posse et potes." Believe you are able and you will be. No wreath. Very good | 24 |

As far as I have been able to learn these Medals take their name from Fort Dummer, which place has many schools, and not far from Dummerston, Windham Co., Vermont.
